

The Bullock Museum Corporate Council connects the Texas business community with the audience and resources of the Bullock Texas State History Museum.

The Bullock Museum, the state's official history museum, is dedicated to sharing Texas' rich history and culture through exhibitions, films, and innovative programs. Each year, over 600,000 visitors, including over 100,000 schoolchildren, learn more about the continually unfolding story of Texas at the Bullock Museum.

The museum features three floors of Texas History galleries, two temporary exhibition spaces, two theaters, indoor/outdoor Cafe, Museum Store, and a variety of multi-functional spaces. The museum boasts a dynamic exhibition schedule and showcases hundreds of original artifacts on view from lenders around the nation. School, family, and public programs are offered year-round.
