

Corporate Council Employee Day at the Bullock Museum

Sunday, April 7 noon–5pm

In recognition of our Corporate Council's generosity to the Bullock Museum, all employees of Corporate Council participants and their families are invited to a special hospitality day at the Bullock Texas State History Museum. You'll enjoy free Museum admission (excluding films) and exclusive access to the **Corporate Council VIP Lounge** off the Museum's Grand Lobby.

WWI America invites you to step back in time to an era of doughboys and suffragists. Stroll through a recreated newsstand, interactive wharf, and a music store with an interactive victrola. Be among the first to see rare artifacts and witness accounts exploring the complex stories from one of America's most turbulent eras.

The Corporate Council VIP Lounge will feature:

- Private seating area
- Snacks and drinks
- A free gift
- Information about more fun activities at *H-E-B Free First Sundays* at the Bullock Museum coming up this year
