

Corporate Council Employee Day at the Bullock Museum

Sunday, April 2, 10am–5pm

In recognition of our Corporate Council's generosity to the Bullock Museum, all employees of Corporate Council participants and their families are invited to a special hospitality day at the Bullock Texas State History Museum. Make an edible plant foraging guide and beautiful nature rubbings. Make a fun STEM project that helps you appreciate the great outdoors. Learn about the spring nesting habits of birds. Decorate your own flowerpot and plant seeds in it.
